- ow do I get started?

| Aa | ron Academy's Policies/Requirements are as follows: |
|---|---|
| 0 | Submit your enrollment forms and registration fees to our school office. Please see page 5 for more information on enrollments. See page 8 for instructions. |
| 2 | Withdraw student from current school. After enrollment you will need to withdraw your student from the previous school. You can use our receipt of enrollment for verification to complete the transfer if needed. |
| 3 | Determine the student's courses or credits needed. For high school students, once our office receives your transcripts from the previous school, we will send you a list of courses needed for the current school year. See page 31 for our required high school credits. |
| 4 | Purchase the curriculum (books) needed. Purchase the books your student will need for the current school year. There are many resources that carry home education materials. We provide a short list of resources on page 16. |
| 5 | Submit Curriculum List (list of books, courses). A list of the courses and materials the student will be using is due within 30 days of enrollment. You will find this form on page 17 and also online. |
| 6 | Have student start working on courses. Once you purchase and acquire the study materials and books, have the student start school. State laws require a minimum of 4 hours a day of school work. Total school hours for the day is optional. (Please note: 8 hours of work in one day does not constitute two school days.) |
| 7 | Log school days (on semester reports). Maintain a log each day student completes work (you can use our semester reports included on pages 25, 27, 33, and 35). Total school days for the entire school year (both semesters) is 180 minimum. |
| 8 | Grade work as completed. Maintain a list of grades per subject. Grade averages and/or final grades should be posted and submitted at the end of each semester. If the student is attending a Tutorial, the parent is still responsible to submit all grades. (Semester Reports are included in this booklet and also available online to print.) |
| 9 | Submit reports (attendance and grades) to Aaron Academy at the end of each semester. You can deliver, mail, fax, or submit these semester reports online. Please know that late submissions after the due dates will incur late fees. Please submit your semester reports on time. |

nrollment Classifications

Re-Enrollment—Standard:

Current students completing the school year ending in June 2022.

Re-Enrollment—Previous:

Students who have been enrolled with Aaron Academy in previous years and are now transferring back to our school for the 2022-2023 school year.

\mathbf{C}

New Enrollment:

Students who have not been student members at Aaron Academy and are registering for the 2022-2023 school year.

mportant notes on enrollments

- I We highly recommend you enroll on time, usually when other schools in your area or county are returning to school after the summer months.
- 2 A student's attendance (school days with Aaron Academy) starts on the enrollment date. We send a friendly reminder in September to current students who have not re-enrolled.
- 3 We reserve the right not to accept school days, grades, and/or high school credits earned in the first semester (July to December) from current students who failed to re-enroll with Aaron Academy during this same first semester.

rade level requirements

All student enrollments must comply with the following grade placement policies.

Kindergarten thru 8th grade students cannot skip a grade level unless:

- The student has taken an achievement test the previous year and results show an above average score of 7, 8, or 9 Stanine score in all subjects.
- It is not permissible to skip 8th grade and go directly into high school unless test scores are all post high school in every subject.

The Principal will review all test scores to determine if requirements are met for grade advancement.

High School students:

- If student is transferring from another school, grade placement will be the next consecutive grade from the previous grade completed.
- High School grades cannot be skipped at all.
- Only students in 11th grade can apply for early graduation. Parents will need to contact the school office and review their student's transcript with our registrar to ensure specific requirements have been met.

mportant notes on fees and payments

- I Our enrollment fees are annual fees. There are no monthly fees.
- 2 Enrollment forms without fees included will not be processed.
- 3 Once submitted, there are NO REFUNDS on enrollment fees (unless for any reason Aaron Academy cannot accept the student's enrollment).
- 4 We accept all major debit or credit cards.
- 5 Third-party checks are not accepted.
- 6 NSF or closed-account checks will incur a \$30 bank fee. If amount due is not paid, student could face expulsion.

he benefits of enrolling on time

6

- I The Home School Legal Defense Association highly recommends that you enroll no later than when public schools start in your local area, usually August.
- 2 You are compliant with Aaron Academy's enrollment policies, requirements, and the educational laws of the State of Tennessee.
- 3 It ensures that your school days are eligible to be counted. Any school days submitted before re-enrollment at Aaron Academy are counted as independent school days.
- 4 We reserve the right not to accept late re-enrollments.

Note: there are NO refunds on enrollment fees

unless for any reason Aaron Academy cannot accept the student's enrollment.

| Enrollment: The registration process starts when the parents (guardian) submits the enrollment forms and the required fees. School Year: The school year starts on July 1st and ends on June the following year. Enrollment is open year-round. Early enrollment for the upcoming year starts in May. Also, we recommend parents re-enroll their students no later than Septer (when most public schools start). Failure to do so could be view violation of the state's truancy laws. Attendance: State law requires all students to complete at least 18 dar days of school work per year. It also requires students to ca minimum of four hours of school work each day. A student's attendance at Aaron Academy begins on the reg date. For example, a student starts homeschooling in August the not register with Aaron Academy until October: the school days with Academy. | e 30th of we highly mber 1st ved as a 00 calen- complete gistration put does between | (see form), at tim see page 17.) Aaron Academy, founded in 1999, is a private Christian institution serving students who are home educated and designated a Category IV School by the Tennessee Department of Education. We operate under Tennessee Code Section 49-50-801, along with the 1999 Jeeter Memo, and Tennessee Senate Bill 433. Member students are not required to register as "homeschoolers" with the local superintendent of schools.

urriculum a list of courses and books for educational purposes.

- The primary teacher is required to submit a list of courses that each student will follow for study during the school year within 30 days of enrollment.
- It's normal for students in the lower grades to change and update many of the materials 2 during the school year. There is no need to submit an updated list each time. The initial form meets the policy requirement.
- 3 Students in high school grades need to complete the minimum required credits for graduation as shown below. Their curriculum list should show the credits they will be working on for the current school year (required credits and any electives).
- You can find the Curriculum List on page 17. Please remember to sign and date this 4 form before submitting. You may deliver it, mail it, fax it, or use our online form.
- 5 The primary teacher is free to choose the curriculum and study materials that best fit each student's learning style.

We have included a short list of curriculum resources and vendors on page 16 for your benefit.

- Aaron Academy carries Landmark Curriculum for grades 7th through 12th. 6
- 7 Our Records Office is available to respond to questions in reference to high school credits and graduation requirements.
