

How do I get started?

When choosing Aaron Academy, the enrollment process is as follows:

- 1** Submit your enrollment forms and registration fees to our school office.
You will find these forms on page 9 and 11. Please see page 5 for more information on enrollments.
- 2** Withdraw student from current school.
After enrollment you will need to withdraw your student from the previous school. You can use our receipt of enrollment for verification if having to visit the previous school to complete the transfer.
- 3** Determine the student's courses or credits needed.
For high school students, once our office receives your transcripts from the previous school, we will send you a list of courses needed for the current school year. See page 31 for our required credits.
- 4** Purchase the curriculum (books) needed.
Purchase the books your student will need for the current school year. There are many resources that carry home education materials. We provide a short list of resources on page 16.
- 5** Submit Curriculum List (list of books, courses).
A list of the courses and materials the student will be using is due within 30 days of enrollment. You will find this form on page 17 and also online.
- 6** Have student start working on courses.
Once you purchase and acquire the study materials and books, have the student start school. State laws require a minimum of 4 hours a day of school work. Total school hours for the day is optional. (Please note: 8 hours of work in one day **does not** constitute two school days.)
- 7** Log school days (on semester reports).
Maintain a log each day student completes work (you can use our semester reports included). Total school days for the entire school year (both semesters) is 180 minimum.
- 8** Grade work as completed.
Maintain a list of grades per subject. Grade averages and/or final grades should be posted and submitted at the end of each semester. If the student is attending a Tutorial, the parent is still responsible to submit all grades. (Semester Reports are included in this booklet and also posted online to print.)
- 9** Submit reports (attendance and grades) to Aaron Academy at the end of each semester.
You can deliver, mail, fax, or submit these semester reports online. Please know that late submissions after the due dates will incur late fees. Please submit your semester reports on time.

Important notes on enrollments

- 1 We highly recommend you enroll on time, usually when other schools in your area or county are returning back to school after the summer months.
- 2 A student's attendance (school days with Aaron Academy) starts on the enrollment date. We send a friendly reminder to current students who have not re-enrolled in September.
- 3 We reserve the right not to accept school days, grades, and/or high school credits earned in the first semester (July to December) from current students who failed to re-enroll with Aaron Academy during this same first semester.

Grade level requirements

All student enrollments must comply with the following grade placement policies:

Kindergarten thru 8th grade students cannot skip a grade level unless:

- Student has taken an achievement test the previous year and results show an above average score of 7, 8, or 9 Stanine score in all subjects.
- It is not permissible to skip 8th grade and go directly into high school unless test scores are all post high school in every subject.
- The Principal will review all test scores to determine if requirements are met for grade advancement.

High School students:

- If you are transferring from another school, grade placement will be the next consecutive grade from the previous grade completed.
- High School grades cannot be skipped at all.
- Only students in 11th grade can apply for early graduation. Parents will need to contact the school office and review their student's transcript with our registrar to ensure specific requirements have been met.

Important notes on fees and payments

- 1 Our enrollment fees are annual fees. There are no other monthly fees.
- 2 Enrollment forms without fees included will not be processed.
- 3 Once submitted, there are **NO REFUNDS** on enrollment or testing fees.
- 4 We accept all major debit or credit cards.
- 5 Two-party checks are not accepted.
- 6 NSF or closed-account checks will incur a \$30 bank fee. If due amount is not paid, student could face expulsion.

The benefits of enrolling on time

- 1 The Home School Legal Defense Association highly recommends that you enroll no later than when public schools start in your local area, usually August.
- 2 You are compliant with Aaron Academy's enrollment policies and the educational laws of the State of Tennessee.
- 3 It ensures that your school days start counting at time of enrollment. Any school days submitted before re-enrollment at Aaron Academy are counted as independent school days.

Note: there are NO refunds on enrollment fees.

School Policies

Enrollment: The registration process starts when the parents (or legal guardian) submits the enrollment forms and the required fees.

School Year: The school year starts on July 1st and ends on June 30th of the following year. Enrollment is open year-round.

Early enrollment for the upcoming year starts in May. Also, we highly recommend parents re-enroll their students no later than September 1st (when most public schools start). Failure to do so could be viewed as a violation of the state’s truancy laws.

Attendance: By state law all students must complete at least 180 calendar days of school work per year. It also requires students to complete a minimum of four hours of school work each day.

A student’s attendance at Aaron Academy begins on the date he/she registers with Aaron Academy. For example, a student starts home-schooling in August but does not register with Aaron Academy until October: the school days between August and October cannot be counted as school days with Aaron Academy.

Curriculum List: All students need to submit a list of courses and/or books (see form), at time of enrollment or within 30 days.

Semester Reports: Parents will be required to maintain attendance and grades and submit this information at the end of each semester. The first semester reports will be due no later than the 21st of January, and the second semester reports no later than the 22nd of July. **If a student transfers out during the middle of the semester, these reports must be submitted immediately to allow our office to update the student’s file.**

Smoking: It is against state law to smoke or have any tobacco-related products at any school function or event.

Expulsions: Aaron Academy reserves the right to expel any student not adhering to its policies, including unbecoming conduct such as violent behavior, threat of bodily harm, abusive language and/or any other action that would be taken as a threat to the student members, parents, or staff of Aaron Academy.

Note: Aaron Academy reserves the right to institute policies and/or rules during the school year for the benefit and welfare of our members.
